

NSSA LONG TERM LOAN TOPPER SCHEME

Application Form 2022

The NSSA are again pleased to be able to offer a number of race-rigged toppers on a 'one year' loan to young sailors who would not otherwise be able to afford their own boat. This scheme has been designed to provide the opportunity for all young people, regardless of their financial situation, with the opportunity to have ownership of a dinghy.

The scheme normally runs between the single handed team racing (SHTR) events - so collection at the end of one SHTR event, and return at the start of the SHTR the following year. But, as a result of disruption over the past 18 months, there has been a delay in offering boats for allocation this year. So, boat collection will need coordinating between the recipient and the NSSA, with return by the recipient due at the start of the SHTR event at the end of 2022. Recipients will be responsible for transport, storage and maintenance of the boat during the time they have it, although the NSSA will insure the boat.

As the manager of your team, we are inviting you to submit an application on behalf of deserving young sailors in your team who would benefit from this opportunity. We are relying heavily on your trust and knowledge of the sailors and their personal circumstances to ensure that these boats are given to genuine deserving cases. All nominations will be treated as confidential. For full details of the scheme, and guidance on applications, please see the NSSA website.

NAME OF TEAM:		NAME OF TEAM MANAGER:	
TEAM MANAGERS EMAIL ADDRESS:			
Name of Sailor:		Age:	
NSSA Membership Number:			
Why they deserve to be offered a NSSA topper on long term loan. (maximum 200 words)			
Events in 2022 that the sailor plans to attend:			
<p>By submitting this application, I agree that the association named above supports this application, and agrees to act as a financial guarantor for the boat for the duration of the loan period in event of this application being successful.</p> <p>TEAM MANAGERS SIGNATURE:</p>			

Applications should be emailed to the NSSA Secretary at secretary@nssa.org.uk. Nominations will be considered by the NSSA, and Team Managers will be informed in due course. All decisions by the NSSA will be final.
